

EcoStay AI — AI Feature Demonstration

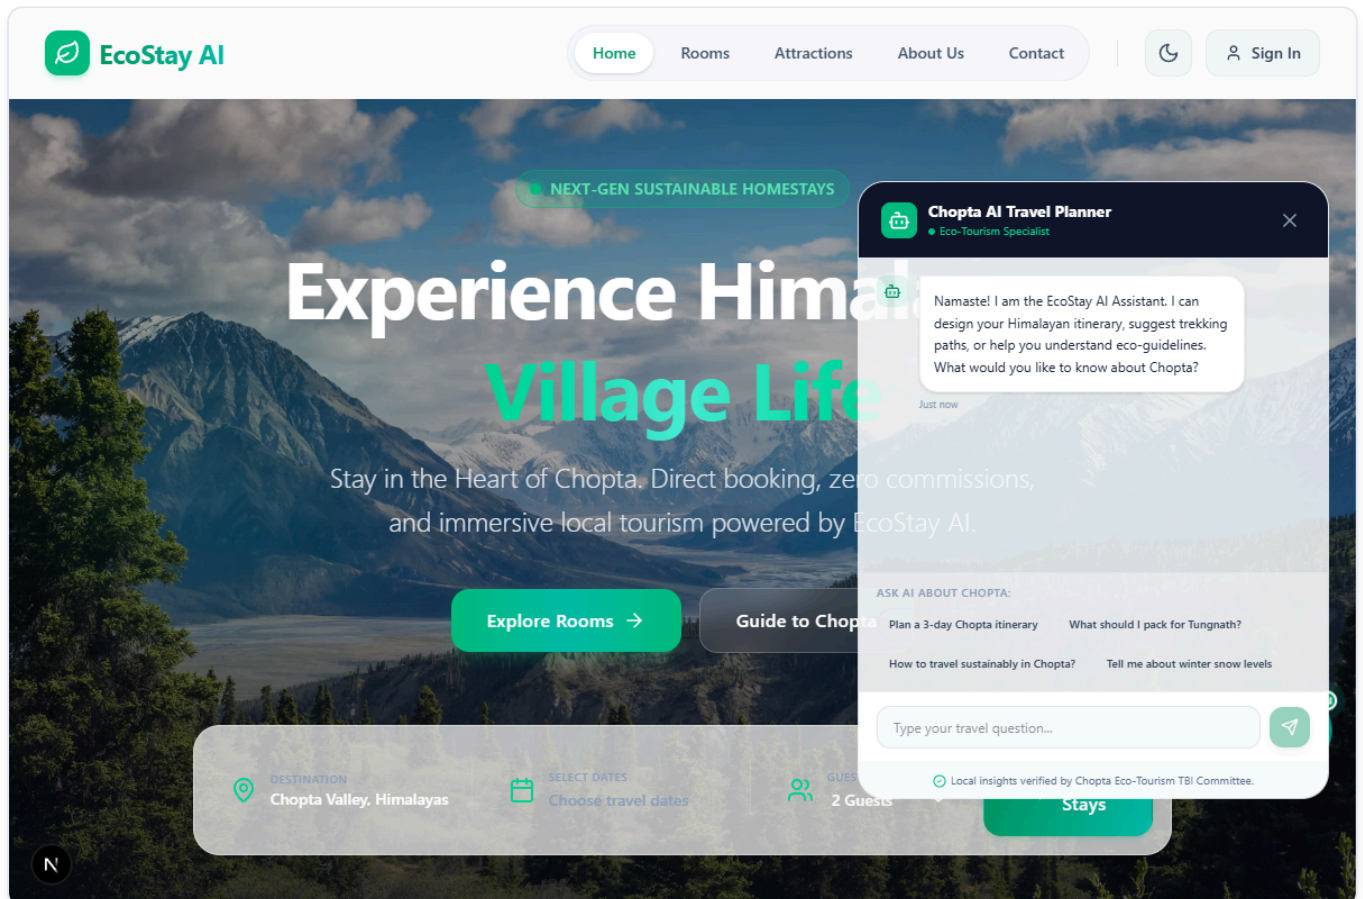

Intern ID: TBI-26100469

Week: 7 (AI API Integration)

Feature: Google Gemini Travel Planner Assistant

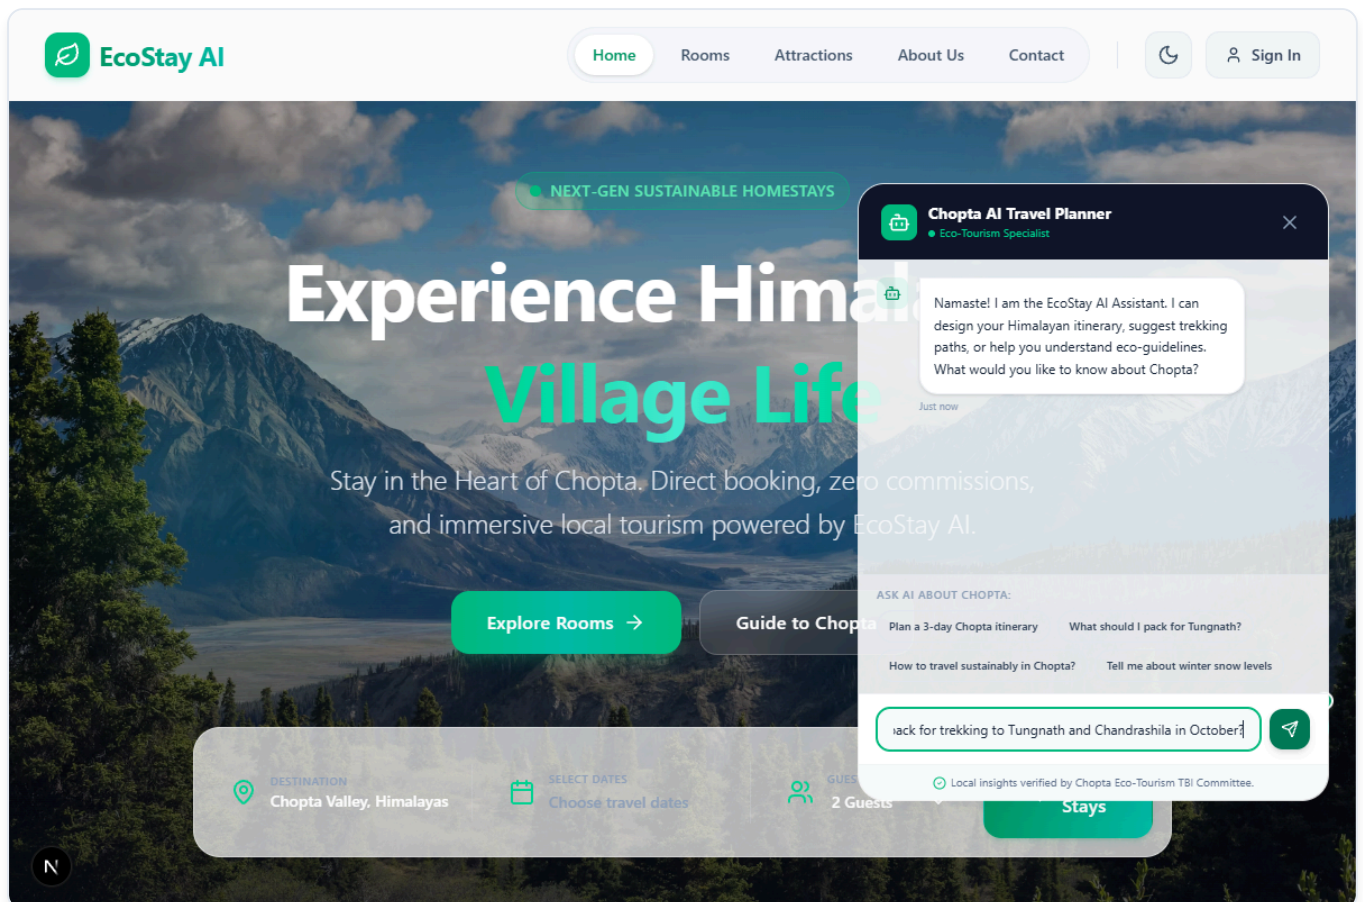

1. User Input & Initial Screen

The screenshot below shows the initial state of the floating Chopta AI Travel Planner widget when opened by the user, before submitting custom inquiries.

2. Loading State (Mid-Request)

The screenshot below captures the UI loading state immediately after the user sends a custom query. The loading state uses an animated typing loader to signify backend processing.

3. Final AI Output Displayed

The screenshot below displays the completed, response from the Google Gemini 1.5 Flash model, delivering personalized, sustainable travel advice for Chopta.

The screenshot displays the EcoStay AI website interface. At the top, the logo 'EcoStay AI' is on the left, and navigation links 'Home', 'Rooms', 'Attractions', 'About Us', and 'Contact' are in the center. On the right, there are icons for a search/magnifying glass and a user profile with 'Sign In'. Below the navigation bar, a green banner reads 'ZERO COMMISSIONS · DIRECT BOOKING'. The main heading is 'Himalayan Eco-Homestays' in a large, bold, dark blue font. Underneath, a subtitle states: 'Select standard, view, or family suites built entirely using traditional techniques and powered by solar/hydro energy in Chopta.' Below this, there are four filter buttons: 'All Rooms' (highlighted in green), 'Budget Eco-Rooms (≤ ₹2500)', 'Premium Peak View (₹2500 - ₹4500)', and 'Family Cottages (₹5000+)'. A light green bar indicates 'Showing options suited for: 2 Guests in Chopta Valley.' with a 'Clear Filters' link. Below this, three room options are shown as cards. Each card features a photo of the room, a star rating in a dark blue circle, and a '100% Eco-Certified' badge in a green circle. The first card shows a room with a view of a lake and mountains, rated 4.6 (24). The second card shows a room with a sofa and a bed, rated 4.9 (48). The third card shows a room with a bed and a desk, rated 4.8 (32). Each card also has a small green circle with a star icon and a number (1, 48, 32 respectively).
